

Devashish Pandey

 leetcode  pandeydevashish43@gmail.com  9555183886  Devashish  Devashish90

Education

Amity University Gwalior, Madhya Pradesh 2021 – 2025
B.Tech. - Computer Science and Engineering

- GPA: 7.51/10.0

Shanti Dham Senior Secondary School Banda, Uttar Pradesh 2020 – 2021
12-PCM

Skills

Development and Technicall skill: C++, Python (NumPy, Pandas), SQL , Selenium WebDriver(RPA),
Data Science Skills: Machine Learning Algorithms (Supervised & Unsupervised Learning), Data Preprocessing & Feature Engineering, Model Evaluation & Optimization, Natural Language Processing (NLP) Basics

Projects

Data Science Market Insights and Salary Prediction Model

Tools: Python, Pandas, NumPy, Scikit-learn

- Performed Exploratory Data Analysis (EDA) on 600+ real-world job postings to identify hiring trends, salary patterns, and key demand areas
- Built a Random Forest Machine Learning model achieving 75% accuracy for salary prediction
- Conducted data preprocessing and feature engineering to improve model performance

Drone Development for Disaster Management

Tools: Python (for sensor integration and automation), RF Modules

- Designed and developed drone modules in **Cerebrospark Innovations Pvt. Ltd.** for real-time disaster monitoring and rapid response.
- Enabled real-time data transmission through RF modules for remote monitoring and analysis
- Automated data processing pipelines to improve response time and decision-making efficiency

Experience

Data Science Intern (Automation and Data Processing)

March 2026 – Present

Applied Energy Technologies Private Limited

- Developed Python automation scripts using Selenium to extract and process data from web sources
- Optimized data workflows to reduce manual effort and improve processing efficiency

Drone Development Intern

July 2025 – Sep 2025

Cerebrospark Innovations Pvt. Ltd

- Developed and contributed to drone-based technologies aimed at improving disaster response, surveillance, and situational awareness
- Enhanced system reliability for operation in critical and emergency environments

Certificates

- Oracle Cloud Infrastructure 2025 AI Foundations Associate
- Oracle Cloud Infrastructure 2025 Generative AI Professional
